# Commonwealth of Massachusetts.

*To the Honorable the Senate and House of Representatives in General Court assembled.*

The Civil Service Commissioners of the Commonwealth, pursuant to section 2 of chapter 320 of the Acts of the Legislature for 1884, have the honor to submit this as their eighteenth annual report. The report relates to and covers their work from Oct. 1, 1900, to Oct. 1, 1901.

Upon Jan. 6, 1901, Commissioner Edward P. Wilbur died, and upon January 23 Winthrop L. Marvin of Boston was appointed to fill the vacancy created by the death. Mr. Marvin duly qualified as commissioner and assumed the duties. Upon the expiration of his term of office, in July last, he was reappointed and duly qualified.

During the year covered by this report the number of examinations in the classified public service has been as follows : —

General competitive examinations, . . . .	149
Special competitive examinations, . . . .	3
Non-competitive examinations, . . . .	66
	<hr/>
	218

The commissioners, in adhering to their policy and belief that non-competitive examinations should be limited to cases required by law or necessity, have reduced the number from 82 to 66. Of these 66, 45 were for promotion, under the rules, and 19 were examinations of applicants for positions as plumbing or gas inspectors, under requirement of statute. There were only 2 non-competitive examinations for original appointment, 1 for clerical, historical and genealogical labor, and 1 where knowledge of statistics, German, French and proof-reading was required.

Twenty-four more competitive examinations were held than in the previous year.

During the year 2,853 citizens were examined, of which number 2,288 were men, including 47 veterans of the war of the rebellion, and 565 were women.

Of the persons examined, 1,904 passed the examination. Of the applicants examined, 2,762 had a school education and 91 had attended college.

Of those upon the eligible list, 567 men and 100 women were duly certified and appointed to positions in the public service. Of these, 10 were examined veterans, and received the preference required by statute. In addition, 41 unexamined veterans were appointed under the veteran exemption provided by law.

The average age of the persons examined was about thirty-eight years.

The reports of the secretary and chief examiner are published in the Appendix.

#### THE LABOR SERVICE.

The labor rules apply to the cities of Boston, Worcester, Cambridge, New Bedford, Newton and Everett. Under chapter 449 of the Acts of 1896, the labor rules can be extended to cities with less than 100,000 population only by acceptance of the city council, with the approval of the mayor. With such acceptance and approval the commissioners can and will, at very small expense to any city, give to it the proved benefit of labor classification.

In Boston 3,400 men were registered during the year, of whom 227 were veterans. There were 204 requisitions for labor service received, and 1,861 men were certified for employment. Of those certified, 394, including 21 veterans, were employed.

In Worcester 1,515 were registered, including 17 veterans. There were 71 requisitions, upon which 1,639 men were certified, of whom 12 were veterans. Of these, 1,483, including 10 veterans, were employed.

In Cambridge 676 men, including 17 veterans, were registered. There were 32 requisitions received, and 631 men, including 12 veterans, were certified. Of these, 241, including 12 veterans, were employed.

In New Bedford 264 men were registered, including 8

veterans. There were 65 requisitions made, upon which 328 men were certified, and 132, including the 8 veterans, were employed.

In Newton the number registered was 112. There were 9 requisitions received, upon which 91 men were certified and 29 employed.

In Everett 290 men were registered, 42 requisitions were made and 419 men were certified, of whom 202, including 9 veterans, were employed.

The reports of the registrar of labor and registration clerks are published in the Appendix.

#### EXTENSION OF THE SERVICE.

Chapter 69 of the Acts of 1900 applied the civil service rules to the police and fire forces of Milton, and the rules have been successfully enforced in that town.

Early in the session of the Legislature of 1901 other towns applied for similar special legislation. The Legislature thereupon wisely determined to make the application of the system and rules to towns a matter of general law, and therefore provided, by chapter 78 of the Acts of 1901, that the rules shall apply to the police and fire forces of any town upon acceptance of the act by the voters of such town. This act has been duly accepted by the town of Revere, and the police and fire forces of that town have now passed under the control and protection of the civil service rules.

At a meeting of the school committee of Lowell, held April 29, 1901, it was voted to request the civil service commissioners to include the engineers and janitors of school buildings in said city within the civil service classification, schedule B, class 11, and this has been done.

In October, 1901, by vote of the mayor and aldermen of the city of Quincy, the permanent fire force of that city was included within the civil service classification.

#### THE RULES.

The present civil service rules are the revision prepared with the approval of the Governor and Council in 1889. Since then there have been from time to time amendments, extending the classification of the public service and making

other changes, deemed expedient in the administration of the system. The Legislature has almost annually amended the original civil service act of 1884, especially in relation to the preference to veterans, to the extension of the classified service, and even to regulation regarding physical qualifications to be required in certain branches of the service, and to the right of transfer and promotion.

For these reasons, and in view of the recent revision of the Public Statutes, embodying in chapter 19 of the Revised Laws the civil service act of 1884 and the amendments thereof, the commissioners have prepared a revision of all the civil service rules thereunder, and the same were on December 24 approved by the Governor and Council. The changes in the revision are mainly for the purpose of consolidation, conformity, and to prevent misunderstanding as to the proper meaning and effect. The revised rules so adopted and approved are herewith reported to the Legislature, and published in the Appendix. They go into effect on the first day of March, 1902.

Upon the death of Commissioner Wilbur, the commissioners ordered placed upon their records an appreciation of his public service. Honored for years with deserved public and private confidence, experienced in public affairs, always attentive to any duty assumed, clear-headed, impartial but firm in his convictions, he rendered to the Commonwealth and to this commission, for nearly twelve years, able, efficient and conscientious service. His death is to the public a loss and to his associate commissioners a personal sorrow.

Respectfully submitted,

CHAS. THEO. RUSSELL,  
CHAS. H. PORTER,  
WINTHROP L. MARVIN,

*Civil Service Commissioners.*

SIR : — I herewith submit a full and complete report of the business of my office for the year ending Sept. 30, 1901.

The whole number of applications received during the year was 112, including the names of 48 persons restored from previous years.

No veterans have applied for registration during the current year.

There have been 9 requisitions received, of which 8 were from the street department and 1 from the police department ; these requisitions called for 52 names, and upon them 91 names were certified.

From the lists of names certified 29 persons were selected for employment, 28 in the street department and 1 in the police department.

But 1 name has been dropped from the list of employees during the year, and that because of bad habits.

Feb. 15, 1897,  
and Feb. 1, 1900.

2. No laborer shall be employed in work other than that for which he is certified until after actual and continuous employment therein for at least three months; *provided, however,* that this provision shall not apply to veterans.

3. Heads of departments may, with the consent of the commissioners, transfer laborers from one department to another, upon previous notice to the commissioners, provided such laborers have been continuously employed in the same work in the same department for which they were certified for at least three months.

### REINSTATEMENT.

#### RULE XLVIII.

Reinstatement.  
Amendment.  
Feb. 15, 1897.

Any laborer who shall be found by the commissioners to have been dismissed or separated from the service without fault or delinquency on his part may, upon request of the employing officer, be reinstated in such service in the same department within three months next following such dismissal or separation.

### LABOR DISCHARGE.

#### RULE XLIX.

Discharges.

1. When a person is discharged from the labor service for "loitering," "incompetence," "insubordination," "unsatisfactory work," or any equivalent cause, unless the charge is disproved, he shall not be eligible for registration again for a period of at least six months from the date of such discharge. At the end of that time he can apply for registration on the same basis as other citizens; and, in case he is registered, he shall not be eligible to certification to the department from which he was discharged except with the written consent of the head of that department.

2. When a person is discharged from said service for "intoxication," and the charge is not disproved, he shall not be eligible for registration again for a period of at least a year from the date of such discharge; and his registration then will be subject to the conditions above prescribed.

3. In case a person is discharged a second time for good cause he shall not be eligible for registration again, except by special vote of the commissioners.

The foregoing rules, prepared by the Civil Service Commissioners, are hereby transmitted to the Governor and Council for their approval.

## REGULATIONS

ADOPTED BY THE

## CIVIL SERVICE COMMISSIONERS.

[DEC. 27, 1901.]

## CHIEF EXAMINER.

1. The chief examiner shall, so far as practicable, attend the examinations held by the several boards of examiners.

2. He shall take care to secure accuracy, uniformity and justice in the proceedings of all examiners and boards of examiners under the rules and regulations; and such proceedings and all papers appertaining thereto shall at all times be open to him. He shall also, from time to time, inspect the proceedings and papers connected with examinations under the civil service rules, and shall make report of such inspection to the commissioners.

3. He shall prepare and submit to the commissioners proper schemes for examinations, and forms for blanks and records.

4. He shall take care that the rules and regulations are complied with, and shall bring any case of their infraction, or of injustice or irregularity, observed by him, to the attention of the commissioners. It shall be his duty, from time to time, to confer with the heads of departments, offices and institutions of the Commonwealth, and the several cities thereof, concerning the regularity, sufficiency and convenience of the examinations for the service under them. He shall perform such other appropriate duties as may be specified in these regulations, or otherwise assigned to him by the commissioners.

## SECRETARY.

5. The secretary shall keep the records of the proceedings of the commissioners, and have charge of, and be responsible for, the safe keeping of the books, records, papers and other property in their office. He shall make such certification as the commissioners may direct of those eligible for appointment or employ-

ment. He shall generally conduct the correspondence of the commissioners, and perform such other appropriate duties as they may assign to him.

#### REGISTRAR OF LABOR.

6. The registrar of labor shall keep the records of his office and be responsible for the safe keeping of records, books, papers and other property in the labor office; he shall make proper certifications of those eligible for employment in the labor service, and he shall generally superintend the work of the office and supervise the administration of the civil service rules applicable to the classified labor service.

#### EXAMINERS.

7. Regular boards of examiners shall consist of not less than three nor more than five members, one of whom shall act as secretary; and a majority of any board may conduct an examination in the absence of the other members.

8. The board of examiners for each city shall promptly notify the commissioners of the need of holding an examination in and for such city; and thereupon the chief examiner shall, under the direction of the commissioners, issue authority therefor, and shall prepare questions and supervise the other preliminary arrangements.

9. The boards of examiners shall conduct the examinations, and estimate and mark the standing of the persons examined, or in a non-competitive examination shall mark the qualifications of the person examined.

10. Special boards will be selected, and special regulations for examinations will be issued by the commissioners when expedient.

11. No examiner or person serving under the commissioners shall attempt to influence the selection of any person for the civil service.

12. The examiners shall preserve order and decorum at examinations, and prevent any interference, by conversation or otherwise, with those under examination.

13. Each examiner will exercise diligence in securing fairness and preventing collusion and fraud in the examinations.

14. No examiner shall disclose, unless by consent of those examined, the results of the examination.

15. Any person, after receiving official notification of his standing, as ascertained by a competitive examination, may, in person or by duly authorized agent, inspect his examination papers.

16. Complaints of any injustice or unfairness on the part of

any examiner or examining board, or by any one acting under the commissioners, may be made in writing to the commissioners, who will act as substantial justice in the premises may require.

17. Each examiner shall be entitled to receive from the appropriation for the expenses of administering the civil service law twenty cents for each applicant whose examination he shall attend, and twenty cents additional for each set of examination papers he shall mark; the total number of papers prepared by one applicant being considered a set. For the additional service rendered by the secretary of each board of examiners of cities other than Boston, in registering the eligibles, certifying the same, conducting necessary correspondence, and in other ways, he shall be entitled to receive from the same appropriation the additional sum of twenty-five cents for each eligible so registered. [3, 24, '93.]

18. No person shall act as examiner in any examination of applicants for admission to the classified civil service, when he is an applicant or an eligible for a position in the class for which the examination is being held. [12, 21, '94.]

#### COMPETITIVE EXAMINATIONS.

19. Applicants must present themselves punctually at the times and places specified in their official notices to attend, and they will be admitted to examination upon the production of such notices.

20. Each applicant in a competitive examination shall first be presented with a declaration paper, on which he will write his name, age, residence, examination number, etc., after which he will place it in an envelope, seal the envelope, and thereafter he shall mark each paper with his examination number only. The envelope shall not be opened until after all his examination papers are marked.

21. The sheets of questions will be numbered, and will be given out in the order of their numbers, each after the first being given only when the competitor has returned to the examiners the last sheet given to him. In general, no examination shall extend beyond five hours. Each applicant must complete his examination on the obligatory subjects before taking up any of the optional subjects.

22. The subjects of, and the time allowed for, the examination, will be announced before the first paper is given out.

23. Applicants for appointment in classes 2 and 4, Schedule B (the fire and police departments of the city of Boston), shall be examined to test their physical soundness, and no one who fails to pass such examination shall be eligible for appointment.

24. Each applicant who shall have passed such examination, and also the educational examination, shall be required to undergo

such further physical examination as the commissioners may from time to time prescribe, adapted to ascertain his special fitness for the service for which he has applied.

25. Such examination shall be made by a physical examiner, to be appointed by the commissioners, and shall be recorded upon blanks provided for the purpose, upon which each required qualification shall be entered, and shall be marked with the percentage of excellence which the several applicants shall respectively be found to possess.

26. The percentage of each qualification shall be multiplied by the weight prescribed for each by the commissioners; and the quotient found by the division of the aggregate of value so arrived at, of each applicant, by the aggregate of weights shall constitute the percentage of condition of such applicant.

27. When an applicant for police or fire service in Boston fails to obtain sixty-five per cent. in either strength tests or development, he shall not be re-examined in those subjects until after he has filed a new application and undergone another examination as a new applicant. [1, 9, '91.]

28. To determine the standing of applicants for appointment in Class 4, Schedule B (the police force of Boston), equal weight shall be given to the physical and educational examinations; in Class 2, Schedule B (the fire force of Boston), the comparative weight to be given to each of such examinations shall be three to two. [1, 30, '94.]

29. Applicants for fire service in Boston, who have passed the examination and are on the eligible list for appointment to the permanent substitute force, may be certified for appointment to the call force upon the percentage obtained in their educational examination: *provided, however*, that such certification, or appointment in the call force, shall not affect their standing on the eligible list for the permanent substitute force.

30. Applicants for positions as watchmen and turnkeys in the State Prison and Massachusetts Reformatory shall undergo such physical examination as the commissioners may prescribe.

#### NON-COMPETITIVE EXAMINATIONS.

31. In cases where a non-competitive examination may be needed, either to test the capacity of applicants for any part of the service which requires peculiar information or skill, or to fill a position for which there are no suitable candidates on the eligible list, or for promotion, or temporary appointment, or otherwise, the commissioners will provide for such examination.

32. Applicants for non-competitive examinations shall fill out and make oath to the proper application paper (without certifi-

ates) ; but any person named by the appointing power for non-competitive examination may file such paper at any time before undergoing the examination.

33. The non-competitive examination shall conform, as nearly as practicable, in subject, questions and marking, to the competitive examination of the same grade.

34. Non-competitive examinations shall, in the absence of any special regulations to the contrary, be conducted by the chief examiner, and the papers marked by him with the assistance of such person as he may select.

#### SPECIAL EXAMINATIONS.

35. Applications for any special examination must be made in the form prescribed by the commissioners, and must be accompanied by certificates, as required in cases of ordinary applications.

36. Whenever a special examination is to be held, proper notice shall be given by advertisement or otherwise.

37. Each special examination shall embrace the subjects approved by the commissioners, after consultation with the head of the office concerned, or the special examining board for such office ; and shall, so far as appropriate, be conducted under the general regulations, as to the marking of examination\* papers and the grading of persons examined.

38. A special record of applicants, and a special register of eligible persons, shall be kept for each part of the service, or office requiring special examinations ; and when the commissioners or the proper examining board shall be notified by the appointing officer of a vacancy in such part of the service, certification shall be made to him of the names of the three persons graded highest on the special list of persons eligible for the same.

39. In case competent special applicants do not apply, after suitable notice, the appointing officer may be authorized to select a person for non-competitive examination.

#### MARKING.

40. Each examination paper shall be reviewed by a majority of the examiners conducting the examination ; and, in any case of disagreement, the average of the markings made on any question or paper by all shall be the final marking on such question or paper.

41. The papers in each subject shall, whenever practicable, be examined, compared and marked before the papers in another subject are examined.

42. The marking of each question or subject shall be made on a scale of 100, which shall represent entire accuracy. Handwriting will be judged by its legibility, uniform and correct formation of letters and ease of execution. Upon a comparison of the handwriting of all, the best and worst should be first determined, and the two extremes of the scale thus fixed; the others should be marked relatively to them. In writing from dictation or copying from manuscript, the omission, repetition or substitution of words, the erasures, blots and other evidences of carelessness, will reduce the marking below 100. Abstracts or summaries of documents, and letter-writing, will be marked as in handwriting, by determining the best and worst examples; and the examiners, having marked these, will then mark the others proportionately.

43. In each of the other subjects, each question shall be marked on a scale of 100; and the sum of such markings, divided by the number of questions in that subject, shall determine the standing on such subject.

44. In marking the examination papers of applicants for police, prison and fire service, orthography shall not be marked as a subject to which a special weight is attached; but errors in orthography shall be taken into account in marking the exercises in copying, letter-writing and reporting.

45. The following examples show the method by which the standing of each competitor is obtained. The weights here given to the different subjects are not to be regarded as the standard weights; these, and also the subjects, will be varied to meet the requirements of the position to be filled.

#### EXAMINATION OF \_\_\_\_\_

It will be observed that the standing on each subject is multiplied by the weight given that subject, and the product placed in the third column; the sum of these products, divided by the sum of the weights, gives the general average standing.

## ELIGIBLE LIST.

46. The names of those found eligible shall be enrolled upon a register in form prescribed by the commissioners.

47. Priority of date in examination will give no advantage in position on the eligible list.

48. The names of persons placed on the eligible list in Class 2 of Schedule A (the higher clerical service) may also, upon request in writing, be placed on the eligible list for positions in Class 1 of Schedule A, with the same standing.

49. Persons whose names are on the eligible list for the prison service of a city may, upon request in writing, have their examination papers marked by the State Board of Examiners; and, if they are found qualified, their names may be placed on the eligible list for the prison service of the Commonwealth. Persons whose names are on the eligible list for the prison service of the Commonwealth, who have been residents of the city in which they reside for six months, may, upon request in writing, have their examination papers marked by the board of examiners for the city in which they reside; and, if they are found qualified, their names may be placed on the eligible list for the prison service of said city.

## GENERAL PROVISIONS.

51. In case a person upon any register shall, by reason of ill-health or physical incapacity, in the judgment of the commissioners, become manifestly disqualified for the service for which he or she is registered, the commissioners may direct that such person be not certified; and the commissioners must be informed by the proper examining boards of each case of such disqualification.

52. The applicant affected by such suspension, or refusal of an examination, may make complaint in writing to the commissioners, who will take proper action thereon.

53. The commissioners cannot advise persons as to vacancies in the service, nor furnish any information as to the duties, salaries, course of promotion, or other conditions of positions and offices, except such as may be found in printed regulations. No advice can be given as to the course of preparation that applicants should follow, nor can specimens of the examination papers be furnished.

54. Every application paper and accompanying certificates will remain on file in the office of the commissioners or boards of examiners, and under no circumstances or conditions will the originals be returned to the applicant.

## SPECIAL INSTRUCTIONS TO EXAMINERS.

---

The members of a Board of Civil Service Examiners will meet as soon as practicable, and organize the Board, choosing a chairman and secretary.

On receiving notice of such organization, the commissioners will forward to the secretary of the Board the application blanks, copies of the rules and regulations, and such other books, documents and papers as may be needful.

Each person filing an application blank should be furnished also with a copy of the rules and regulations.

When an application paper is presented by an applicant in person, the secretary should examine it at the time, if he can do so conveniently, and, if it is properly filled out, he should note upon the back, in ink, the date and hour when received. If it is not properly filled out, the attention of the applicant should be called to the fact, and he should be directed to have the application paper corrected.

If an incomplete application paper is received by mail, it should be returned to the applicant, accompanied by a notice to correct the same.

The applications, if found satisfactory, should be numbered serially in the order in which they are received. They should be entered in the record of applications, in the order of their numbers.

Any application which shows that the applicant is not, by reason of age, lack of citizenship, proper period of residence, etc., entitled by the law, rules and regulations to an examination must be returned to him with a brief statement of the reasons for such action. A blank form will be furnished for this purpose.

All application papers will be received, if in proper form. Should any be received for positions in the service of the Commonwealth, or another city, they must be forwarded to the commissioners.

When the application is for examination for the police service, the secretary of the Board will furnish the applicant with a copy of the book of instructions for police applicants, *and make note of having done so on the application paper.*

Attention is called to Rule XIX., which gives precedence in notification to veterans.

Examination blanks will be sent or brought to the Board before an examination is to take place; but they are not to be opened until the Board meets in the examination room on the morning of the examination day, and great care must be taken that they be kept in a secure place until that time.

When all are seated, one of the Board will take from each applicant the notice he has received to attend the examination.

The package of examination papers will then be opened, and each applicant will be given a numbered envelope and a declaration paper; upon the latter are printed questions concerning his name, age, former occupation, service as a veteran, etc. These are to be answered in writing, and the writer will sign his name at the bottom of the sheet. This is the only time during the examination when the applicant will be allowed to affix his signature to a paper. After completing the declaration paper, he will fold and enclose it in the numbered envelope which has been given him, and then seal the envelope.

The number on the envelope will be his examination number, and he must write it upon each succeeding paper in the blank space left for that purpose.

It will be well to inform the applicants that they are to be examined in certain subjects, and state the order in which the subjects will be given out.

The envelopes are not to be opened until after all the examination papers have been marked and graded.

In examinations where one of the exercises consists of writing from dictation and spelling, all the applicants will work at the same time. In the other exercises they may consult their own convenience as to rapidity.

As a rule there will be no general recess during the examination hours; but any applicant may be allowed, for sufficient reason, to leave the room at any time when he has finished one set of questions and delivered the paper to one of the Board. No succeeding questions shall be given him, however, until his return.

It is advisable that the full Board of Civil Service Examiners be present at each examination; but a majority of the Board may conduct an examination in case of the disability or necessary absence of the other members.

Applicants should be cautioned not to use any books of reference or memoranda for the purpose of assisting their memories. Any one detected in doing so may be dismissed from the examination room. The same penalty may be enforced if one applicant attempts

to assist another, by conversation or otherwise, in answering the questions given him.

Members of the Board should give the applicants general explanations only, and these should be limited to methods of procedure.

After an examination, all the papers should be taken charge of by the secretary of the Board.

Members of local boards are cautioned against furnishing information to any person in relation to the examinations, except in the general way prescribed in the rules.

All unused examination papers are to be returned to the commissioners the day after the examination.

As soon as practicable after completing the marking and grading of the papers, the secretary of the Board will send a certificate to each person who was examined, if he passed the examination, stating the standing which he obtained, as shown by the marking. He will also send notice to each applicant who failed to pass the examination, informing him of the fact.

In the general regulations adopted by the commissioners will be found information as to marking and grading, and the enrolment in the proper register of the names of those found eligible for appointment.

The chief examiner will be present at the examination whenever it is practicable to do so.

More specific rules for marking the examination papers will be issued hereafter.

Necessary expenses incurred by members of the Board for stationery, postage and actual travel, will be allowed by the commissioners.

HENRY SHERWIN,  
*Chief Examiner.*

## FORMS FOR APPOINTING OFFICERS.

---

[The following forms are furnished for the information and convenience of officers making appointments to positions in the classified service of the Commonwealth and the cities thereof. They are furnished merely by way of suggestion, and not as forms prescribed by law to be strictly followed.]

---

**Form for Nomination, by a Mayor, of Police Officers—Probationary Term.**

I hereby nominate, subject to the approval and confirmation of the Board of Aldermen, \_\_\_\_\_, to be a police officer of the city of \_\_\_\_\_, with all the powers of a constable except the power of serving and executing civil process, to hold said office for a probationary period of six months, as provided in the civil service rules of the Commonwealth, unless sooner discharged.

---

**Form for Nomination, by a Mayor, of Police Officers—After Probationary Term.**

\_\_\_\_\_, having served as a police officer for a probationary period of six months, and his conduct and capacity having been found satisfactory, I hereby nominate, subject to the approval of the Board of Aldermen, said \_\_\_\_\_, to be a police officer of the city of \_\_\_\_\_, with all the powers of a constable except the power of serving and executing civil process.\*

---

**Form of Warrant for Police Officer appointed for Probationary Term.**

This is to certify that \_\_\_\_\_ has been appointed a police officer of the city of \_\_\_\_\_, with all the powers of a constable except the power of serving and executing civil process, said appointment being made under the civil service rules of the Commonwealth for a probationary term of six months, beginning on the \_\_\_\_\_ day of \_\_\_\_\_ A.D. 19 \_\_\_\_.

---

\* In cities where the ordinances provide that appointment shall be made for a limited time, it would be well to add, "to hold office for the term and according to the tenure prescribed by the laws and ordinances."

**Form of Warrant for Police Officers appointed after Probationary Term.**

This is to certify that \_\_\_\_\_, having served a probationary period of six months, as required by the civil service rules of the Commonwealth, has been appointed a police officer of the city of \_\_\_\_\_, with all the powers of a constable except the power of serving and executing civil process.\*

---

**Form of Notice to Persons, other than Police Officers, appointed for a Probationary Term.**

This is to inform you that, under the provisions of the civil service rules, \_\_\_\_\_ ha selected you for appointment to the position of \_\_\_\_\_ in the \_\_\_\_\_ for a probationary term of six months from the date when you begin service. Should your conduct and efficiency during such probationary term prove satisfactory, you will, at its close, receive a regular appointment; otherwise your appointment will cease. The salary attached to such position is at the rate of \$ \_\_\_\_.

This conditional appointment does not preclude prompt discharge from service at any time during such probationary term, in case of misconduct or inefficiency.

A prompt reply is requested, stating whether this appointment is accepted, and giving the earliest date when you can present yourself for service.

---

**Notice to Persons, other than Police Officers, appointed after Probationary Term.**

Your conduct and capacity, during the probationary term of six months, having been found satisfactory, you are hereby appointed a \_\_\_\_\_ in the \_\_\_\_\_ department [or office] at a \_\_\_\_\_ salary of \$ \_\_\_\_\_, beginning on the \_\_\_\_\_ day of \_\_\_\_\_, A.D. 19 \_\_\_\_.

---

**Notice to Persons whose Conduct or Capacity has not proved Satisfactory during the Probationary Term.**

I have to inform you that your conduct [or capacity] during your employment in \_\_\_\_\_ department as \_\_\_\_\_, for a probationary term of six months, has not been found satisfactory, and that, in accordance with the terms of your original appointment, as prescribed in the civil service rules of the Commonwealth, your employment in said department will cease on the \_\_\_\_\_ day \_\_\_\_\_ of \_\_\_\_\_, A.D. 19 \_\_\_\_.

\* See note to second form.

INSTRUCTIONS TO APPLICANTS AND ELIGIBLES.

---

A person desiring to be examined for a position in the classified service should file an application on the prescribed blank, and a form for that purpose can be obtained at the office of the commissioners, room 152, State House, Boston, or of the secretary of the local board of examiners in the city where he lives.

Applications for the service of the Commonwealth and of the city of Boston should be filed in the commissioners' office, Boston; if for service in any city other than Boston they should be filed with the secretary of the board of civil service examiners in such city.

Applications will be received at any time, and notice of the time and place of examination will be seasonably sent to each applicant. If unable to attend the first examination after applying, the applicant will, upon satisfactory explanation, be notified to attend the next examination.

Non-competitive examinations are not given when it is practicable to establish an eligible list by competition, and they are never held at the request of an applicant.

The commissioners cannot furnish information as to the course of preparation which applicants should follow (except as shown by the specimen examination papers printed in their report), nor can they answer inquiries in relation to cases which are not before them for decision, or decide, except in the cases of actual applicants, questions respecting the application of the rules. Particular answers cannot be given to inquiries which are answered herein, directly or by implication.

Notice will be sent by mail to each examined applicant of the result of his examination as soon after the examination as it is practicable to do so.

The names of persons who have passed the required examination will remain on the eligible list two years from the date of their certificate, unless dropped therefrom after certification three times, or removed from said list for cause.

Applicants for clerical service whose names have been placed on the eligible list in Class 2 of Schedule A may also, *upon request in*

*writing*, have their names placed on the eligible list for positions in Class 1 of Schedule A, with the same standing.

Applicants for clerical service in the departments of the Commonwealth whose names have been placed on the eligible list may, *upon request in writing*, have their papers marked by the local board of examiners of the city in which they reside, and their names placed on the eligible list for service in the departments of such city, and *vice versa*.

Persons whose names have been placed on the eligible list in Class 1 of Schedule B (prison service), and who have been certified for appointment, will be subjected to a physical examination if the appointing officer so requests.

The relative standing of any applicant as compared with that of others on the same eligible list may be changed by the addition of names of persons who have obtained higher standing at some more recent examination, and the time of the examination is not considered in making certifications.

Eligibles are certified in the order of their grade, and nothing can help and nothing can hinder their certification for appointment in the order of eligibility as prescribed by the civil service rules.

The commissioners are unable to answer inquiries as to vacancies in the service, salaries, prospects of certification, appointment or promotion. They know nothing of vacancies until requested to certify names for filling them, and it can only be generally said that the highest mark possible is 100, the lowest which gives eligibility is 65, and that the nearer the applicant's mark is to 100 the more likely it is that his name will be reached for certification. It is wholly uncertain, therefore, when an applicant's name may be reached for certification, and it is useless to speculate on what his chances may be.

*Applicants will save the commissioners and themselves time and trouble by carefully reading the foregoing and preserving it for reference.*

WARREN P. DUDLEY,

*Secretary.*
